

P.A. In A Changing World

2020 Pills Anonymous World Service Conference

New Dates: November 6-8, 2020

The P.A. World Service Conference committee has decided, via Group Conscience, to postpone the 2020 World Service Conference to November.

Many factors were considered in making this decision. And, as this is our first ever online conference, the committee feels that we can best serve the Fellowship by taking more time to plan. This is to ensure a better organized and smoothly running meeting.

Please check the website periodically for more information.

Sincerely,

Your 2020 Conference Committee
